CONFIDENTIAL & PERSONAL.

October 15, 1953.

I wish to place before you some important matters and I shall be most grateful if you can accord me an interview. I wish to take the earliest opportunity to come to Delhi and may I know if any date between 11th and 14th November would be suitable for you to receive me. I would have come earlier but I have to be present here until 8th of November in connection with certain engagements I have to fulfill. In case these dates are not suitable, may I request you to fix up any other more convenient to you. I shall await your pleasure in the matter.

With respectful regards,— — —
